### The African Humanrights-court assist the International Criminal Court personnel with Murder on persons who start ICC-lawcases

Persons working for the African Humanrights court who co-work with ICC are qacriminals themselves.

According to the Torture-treaty its forbidden to communicate with persons against whom runs an ICC-lawcase or any other person who keeps ICC a murderweapon in hands of politicians / business persons.

The ICC-president = keep Nigeria violent.  
ICC-prosecutor Bensouda = mass-murder.

UNSG guterres = massmurder who supports ICC-personnel guilty of warcrimes & Italian Mafia.

The methods of work of the Africa Humanrights court will result in more Refugees + more Pirats + More Humantrafficking + more Terrorists.
