Embassy, FBI, ICC, Organisations,

ANP pressagency & NOS tax-funded media in NL participate in Organizing Murder on Civilians, internationally.

ANP & NOS reports that King Willem-Alexander has appointed former Commander Defence TomMiddendorp 'Adjutant for the King'.

There is an ICCLawcase against King-WA & former Commander Defence TomMiddendorp for ignoring the Consitution - UNcharter - all HR treaties - State of Rome; they both torture / murder civilians in coÓperation with the Criminal Judges in NL.

This prove that the media & King & Defence-ministry have NO Plans at all to stop the killings.

They also want more Crime in NL, in every thinkable Sector.

ICC refuses to stop these practices; so does UNSG gutterres.

They belong in prison on a lifetime sentence without parole.

According to the Torture-treaty its forbidden to participate in these killings.
