Embassy, RepublicNL, BREXIT,

ASML -boardmembers assume that they have Freedom to Murder, because they produce an important product for Planet Earth: chips.

They support the DictatorshipNL - statemedi NOS / NPO - and misuse RepublicNL.

What the don't tell the people is 'that they kill persons who want their Friends in Prison, for Crimes against Humanity & Warcrimes'.

People like me.... and others.

How to do business with ASML, without becoming 1 person on their List for Freedom to Murder?

Demand the departure of the ASML-boardmembers, based upon my Dictatorship NL - RepublicNL evidence.

Make clear 'that you don't trust them, now they have Freedom to Murder.

Never communicatw with the current NL-media!

Fox-it the Most Important ICT-protector in NL;
they also take care of the ICT of the InternationalCriminalCourt Freedom to Murder Mass-murder-fanclub.

Don't be mistaken:

I - IPM & UNSG - want ASML to stay successful, but they do not have the right to torture / murder me or other civilians on Earth.

The only thing ASML needs to do = stop Dictatorship NL and Live & work in RepublicNL!
This proves that they don't have Hidden Deathlists to please their Criminal friends.

They only need to remove about 5000 Monsters from a powerfull labourcontract in NL; that's all!

Thus? Why does ASML want to participate in the destruction of millions of people, when they only need to remove DictatorshipNL? In 3 months time we can have a Sound-working Parliament- Judiciary again in NL.

Only 3 months of pain for 5000 Monsters; why do they want to kill millions of other for Happy Lifestyle of 5000 Monsters?
