Quebec Cityhall, Canada,

Justin Trudeau lies about the Legal position of Trump.

He does so because he wants to assist Holland with organizing mass-murder on civilians.

There is an InternationalCriminal Court lawcase against Justin Trudau for this behavior.

There is an ICCLawcase against Trump, since july2017.

Together with the FBI Washington, I have taken over the Whitehouse USA

At the Moment the FBI makes sure that Americans accept the New Constitution for the USA, I have put inot power by decree via UNSG guterres.

UNSG guterres misuses Holland + InternationalCriminalCourt as a murderweapon; just like Trudeau.

What does this mean!?

It means that all Legal Activities on behalf of President Trump are not valid from july2017.

All Legal Acts on behalf of all the Presidents against whom I started an ICCLawcase, for the fact that they build DictatorshipNL + massmurder... are invalid.

--

It also means that NorthKorea - USA make peace, because I have the ultimate power in both nations.

A Tradewar can be prevented - stopped within 30 minutes.

The only thing that needs to be done is force the media to publish the Legal truth which I prove on my websites.

The Bank of Canada is evil = they lie.
