EU-professors call for an EU-centre for the research & development of Artificial Science.

With the aim 'to keep controle over the EU-market, next to competitors Japan & China'.

China laughs; so does Japan.

All these self-called - 'Artificial Scientist' are listed as Warcriminals in China- Japan - Embassyworld - International Criminal Court.

Some of them by me... , others by Embassies.

For the legal fact that they support the NL-parliament & King with building DictatorshipNL ... and ignoring RepublicNL.

Over the past 11 years, all NL- Artificial Scientist have build the Thehaguesecuritydelta-lobby.

This ICC- Elite - lobby is founded with the aim 'Scientist must be above the Law and they must own Freedom to Murder via the ICC-lobby'.

The ICCcourtcase of NL- DesireeStokkel - is murderweapon to Kill individuals with; Stokkel - with the fight for justice and murder attempt on het body -must be used as a cover for massmurder designed & conducted on behalf of NL - EU.

China & Japan know - in every detail - HOW I have to fight against the NL-scientist, in order not to get killed in Holland.

NL-scientists simply ignore the Constitution and pick friends who are Warcriminals in NL-perliament. than they build 'their happy community'.

NL-scientist use the EU as murderweapon, in hands of the NL-Elite... against whom an ICClawcaseNL is started, for building DictatorshipNL.

CLAIR will never have any authority... as long as Holland is a growing Dictatorship,

where politicians - scientist - judges - police - defence

'are Free to kill human beings they want to be murdered... for reasons of greed...

assisted by the Healthcare + Education + Criminal Judges + Head of Police + Commandors of Defence .

CLAIR = extremely childish Low-intelligent criminal-minded type of Artificial Intelligence,

which will always be **worth nothing**, as long as NL-scientists misuse the

InternationalCriminalCourt - lobby to organize their Personal Freedom to Murder

... the Dutch nationals... and other civilians.

The ICC-Embassy-lobby will always be able to overrule CLAIR, because Holland is being stirred by Psychopaths.

As long as I am InterimPrimeMinister for Holland, inside this ICC-lobby-system...

CLAIR will not have any authority at all.

This weekend I have asked the Chinese to 'take over Holland', temporarily.

The business-world - Education -Healthcare 'are informed by me... about this legal fact', but laugh at it... because over the past 11 years they have been Free to Murder humanbeings.

Because the NOS-NPO-media assist the Members of Parliament & co in TheHague with speading lies comming from Rutte - King - Politicians.

In the media Politicians put up an act 'that must prove that they want national security', but behind the screens they manipulate the people in a way... they must have themsevels killed.

In de media 'one must believe that heavy criminals are only released after carefull considiration; in daily life criminals are being released by MP... with the aim to hide the ICClawcase against them & friends'.

So, the psychopaths in NL -politics ... murder NL-civilians in a very Evil setting.

They misuse the Constittion - Judiciary - Education - Health - Police - Defence... in the media while they conduct mass-murder in Holland.

Who do you think the Chinese believe: 'You or me?'

O, the Persgroep - TMG - Talpa - NPO are seen as Warcriminals.

The ICT-world in NL is being payed by these clubs.

If you have any intelligence... you read my website.

And you make sure that I can be President in NL, as I am entitled to since 18nov2018, organized via the UN.

Only when Holland is a Republic, CLAIR can have a moment of glory.

If the FIOD has any intelligence... they will remove Rutte- King ... a lot quicker than they are doing today...

make sure that I have the already UN-proof labourcontract IPM for Holland, so I can call for Elections for the Elected Predisent & Mayors in NL.

Perhaps..... when the ICCLawcase NL is removed from Earth, legally correct...

and.... I have left the Presidential office when Holland is a Republic,

NL-scientist can be smarter than the Chinese - Japanese are.

No way, the China - JP are going to give our Maffia-Monarchy Van Oranje acces to Evolution.**DesireeStokkel**
