Putin, RepublicNL,

Putin, publish all emails between Russia - DictatorshipNL on the Embassy-website, please.

NL-dictators can no longer lie about the content of communications.

O, and I want you to invite Fake Queen Maxime - King WA for a trip to the Kremlin, to discuss the Making of RepublicNL.

Invite MikhailProkhorov & KseniaSobchak to be present during that talk.

Hé..., Ksenia...

Do you know that Putin & Lavrov keep me away from Peace-talks in Warzone 'because they can't handle Feelings of Love'?

Russians hides behind sentences like: 'Why do you need to be present'? Well, there is part truth in this; I publish everything online.

But... I have got a communicationskill... called 'Problem-solving for conflict-ending'... which Presidents & Embassadors...and zo... preferebly do not use.

Mikhail... is a robot; he doesn't have any troubles with Love during talks.

Earth is in war... because Men can't handle Love
