FBI, please make sure that all foreign embassies in the USA receive this email.

Embassy, RepublicNL, Family of Mali-soldiers,

UN-memberstates may no longer accept the NL Royal Navy - NL Ministry of Defence - as a trustworthy partner for National Security / Bordercontrole.

Because the NL-fascist media always lie,

the people are willfully Misguided & Misinformed by the NL-media about a new High Security-risk, internationally .

The Criminal media in NL refuses to explain to the people that there is an ICCLawcaseNL + ICCLawcase against Former NL-Minister Defence Hennis and the Commandors of the Ministry of Defence... for building DictatorshipNL. And killing people.

Former NL-Minister Defence Hennis - who knowingly caused the death of Mali-soldiers by lying about the quality-standards of military-equipment - is now a officially trained Royal-Navy-soldier. She now officially works for the NL Royal Navy.

Former Minister of Defence Hennis must be put on trial for the Murder on the NL-Mali-soldiers.

What next?

The RoyalNavy labourcontract of former Defence-Minister Hennis will increase Crime at Sea. Criminals already use the Ocean as their warehouse; now they see that the NL-dictators are being trained into soldiers after they have killed people while being a Politicians... feel free to increase their acts.

As InterimPrimeMinister of NL, I can't improve the National security - Bordercontrole - while DictatorshipNL is being expended behind my back. With the assistance of the NLmedia.

And Online, in the eye of the People.

I feel for the family-members of the Mali-soldiers, but I can't do more than I have been doing = put the Criminal NL-rulers in ICC-prison.
