Edward Snowden,

You should **not** have joined the Club who wants to drop the charges against Julian Assange.

You have lost all your credibility now.

Bradley Manning is free, because I wanted this to be organized.
'A little something between me & Obama'.
Not because you had a say in it.

You prove that you support the criminal relationship between Wikileaks - Media - EU - UN - International Criminal Court.

I will no longer protect you.

You have always threaten me badly, while I am the one who made Putin give you 'a normal life in Russia'.

Its over.

**For a very good reason:
ICT - criminals observe me on a daily basis.
They even call me on my landline.**

I think that the Cybercriminals who tried to paralyze Earth, over the past week ... are connected to the ones who called me, at least 3 times.

My personal legal position - and those of victims of the EU- UN - ICC lobby - are more important to me than you are.

Warzone in general... is more important than your individual fight.

Its smart to correct yourself, this week.

**Present the heavy legal framework you are part of - within ICC- to the people.
To re-anchor your personal relationship with Julian Assange in the Best Legal truth.**

If, you don't...you will end up in prison too.
After all.

**Because you have just made the wrong Legal turn, this week.
By claiming 'to drop charges against Julian Assange, Wikileaks'.**

No matter... the fact that FBI Comey has been fired;
somebody else will take over my file... in front of Trump.

For the national security of the USA, I am more relevant than your are.

For Russia - Ukraine - EU , too....

Am I clear?

You can either correct yourself with legal facts, publicly... or end up in prison.

**When you don't present the heavy legal framework you are part of before 1june2017,
I won't do anything at all to stop you from being put in prison.**

With regards,

**Volgens de letter van de wet ben ik InterimMinisterPresident van Nederland

**Ik bewijs dat de Rechtspraak - Parlement - Koningshuis gezamenlijk
burgers folteren - doden.**

Op 18nov2016 is ook de GrondwetRepubliekNL ingevoerd.

**Ik eis mijn arbeidscontract InterimMinisterPresident niet met geweld op,
nu ik geen burgeroorlog in EU wil.**

Criminelen - Terroristen volgen wat ik doe; Parlement & Lobby steunen criminelen.
