Hollandse Ondernemers, Ambassadors,

Hollandse Ondernemers,

Jullie blijven maar zielig doen over de EU-sancties tegen Rusland.

Jullie willen deze sancties niet verwijderen; jullie willen lid zijn en blijven van de Elite-moordenaarsclub.

Die afgelopen 2 maanden heeft bewezen:
'Commandanten van het Ministerie van Defensie + Korpsleiding Politie helpen Parlement - EU - ICC - VN - Navo bij het 100% crimineel houden van het Ministerie van AZ en Min VENJ'.

Als jullie werkelijk de EU-sancties tegen Rusland hadden willen opheffen,

hadden jullie per direct aan mij laten weten dat julie mij
aanvaarden als InterimMinisterPresident en met de GrondwetrepubliekNL
te zullen gaan werken.

**Ondernemers in NL zijn te kinderachtig, te kleizerig, te gluiperig voor behoud
van hun eigen bedrijf.
En zij schuiven de verantwoordelijkheid voor Evolutie af op de Elite-moordenaarsclub.**

De Russische realiteit is:

**'Na 15maart2017 blijft de Elite-moordenaarsclub aan de macht
in het Parlement - EU - ICC - VN- Navo ... and zal nog slechter functioneren dan nu al het
geval is'.**

Ondernemers in NL blijven weigeren de allerswaarste juridische procedures in te zetten
tegen Politieke partijen - Leden van de StatenGeneraal;
en houden de Rechtspraak - Advocatenorde - Universiteiten 100% corrupt.

Ik krijg in Rusland soms wat ik hebben wil:
BradleyManning wordt naar Moscow verhuisd, op mijn Veiligheids-instructie.

Ik kan de GrondwetRepubliekNL en mijn arbeidscontract InterimMinisterPresident ook
krijgen, maar dan moeten Hollandse Ondernemers stoppen met het
overeind houden van de Elite-moordenaarsclub.

Iemand moet de HELD zijn in deze relatie... en zich bereid tonen de Elite-moordenaarsclub te verwijderen,
in plaats van er weer op te gaan stemmen 15maart2017.

Onderwerp:heroism Putin new definition 2017 for Fwd: Putin - May - Brexit 100% criminal NL parliament after
15march2017

Datum:Wed, 18 Jan 2017 14:58:12 +0100

Van:destokkel <d.e.stokkel@ziggo.nl>

Aan:rusembassy@mid.ru, fsb@fsb.ru

Putin, Medvedev,

The Russian definition for Heroism is too old fashion.

You don't understand what Heroism is; Russia is no fairtrade nation.

You want to make history.... but you don't do what needs to be done
on today's Timeline.

You can't live realtime....

**What happens when you come to Holland and recognizes me officially
at the Russian Embassy?**

You make clear statement; you pass the Markrutte war-makery in the EU.
afterwards, when you are back in Russia... you explain to the Press what has happened.
Publish the agreement on the Kremlin-website.

You clean up Nato... Okay, its a side-effect, but it will take place. In liven with DonaldTrump.

You bring Trade into a new Fairtrade-world.

You remove rotten Judges from NL-judiciary ...without wasting 1 word on it.

You clean up the University-lobby...without saying something about it.

You have - indirectly, via Me, Myself & I - an enourmous amount of power in the Trade-world;
I can't see everything.

You clean up the UN... partly and automatically.

You make Donald Trump work legally correct in the Fairtrade world.

You honour the Russian-people... now Russian will be a new leader in the Fairtrade-movement.

Okay, -you weaken a large part of the NL- EU -People, what will do them good = start to go to work.

Russia will have less problems with BREXIT, now EU screams around: 'We will make it difficult'.

You will have a new position in the History-books, Worldwide.

Bottom-line? I think you don't know 'what a Hero is'.

Every relationship needs a Hero = somebody who leaves the group and moves on for the better.

Politicians 'stick to eachother far too long'.

They can't let go of eachother on the right moment, needed for Healthy Evolution.

Politicians 'don't nurse Evolution'; they want to overrule to prove that they are in charge.

I want you to come to NL, casual-mode.

And change politics for the better, in general.

Trade between Holland - Russia can restart from the moment we both have signed the Republic-NL agreement.

You can't wait for UNSG Antoniouterres. He is far too slow.

The UN is a disaster for Earth.

I will be able to claim my labourcontract without the use of violence.

The NL-parliament will not be so criminal after 15march2017.

Russia rests in too much self-pitty at the moment; Russia is too passive.

You need a leap of faith = jump into the Future.

Desiree

Putin,

Grow up!

The NL-business world wants to restart Trade with Russia.

They don't want the current political climate; don't want the dictator-support-media.

I want you to come to Holland, to the Russian embassy.

I will meet you there.

We sign an official document that states:

Russia recognizes the InterimPrimeMinister DesireeStokkel
Recognizes the ConstitutionRepublicNL - put into power by decree by Desireestokkel -
and all new Republic Laws to be put into power by decree.

Russia wants to resotart trade with Holland; pass the EU-sanctions now the NL-parliament
proves to be a dictator-parliament.

After the elctions on 15march2071, the NL-parliament will still be a criminal parliament,
unless we accept DesireeStokkel and restart the realisation of Sound Governance with her
and the People who support her.

Putin, you must accept that you live in too many strategies from history.
Stop playing with me and manipulating me... for the sake of Russia.

You know....You've lost.... from a Dutch woman.
Marvelous!
The new Dutch way of doing business has started with me.
I build, I don't threat or bullshit.

So!? Learn and work.

Give the People trade, Putin.

Theresa May, Sadiq Khan,

Do you plan to stay a member of the NL- Elite-murderclub?

If you do, your Firm BREXIT-talk will prove to be worthless.

You either want a Healthy Brexit, or you want to be a EU-dictator.

When you want a rather pain-free BREXIT, you'd recognize me officially.
Me and all my laws.
I have already restored the NL-EU relationship, in a way Brexit can move on
on the highspeed frequency.

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/wet.eu.naast.republieknlopruimwet.1.unarbitrationcommission..2016.pdf>

The plan is to level Trade via the EFTA-system
<http://www.efta.int/legal-texts/efta-convention>

The Elite-murderclub in NL runs via all the Foreign-embassies.
The longer these Foreign-embassadors stay a parasite on my body, the more hel
we will get.

TheresaMay, give Scotland a small Scottish Embassy in The Hague, for me.
The silly thing is that this Scot-embassy will be a criminal move in the Kingdom NL,
but a prove of Sound Governance in Republic NL.

I hope I can make all Fairtrade-businesses in NL to participate in LAKS.

A group of Young adutls wo want to have a seat in Parliament;
they have started the process too late... but with a little bit of shovel-assistance
they can obtain that seat.

After 15march2017, I estimate we will have about 20 political parties in NL-parliament.
They will fight, not work.

So, I need the Foreign-embassadors to work with me now, for All of Us.

UNSGAntonioGuterres,

There is still not 1 word of the arrvial of the UN Commission Arbitration-court-systems
on the UN website.

Terrorists already see you as dictator.

You should have answered my letters legally correct; you fail to do so.
This proves that you are a member of the NL- ICC - EU elite-murderclub.

Young people think 100 times quicker than you do!

Give me the UN Arbitration-system, now!
So we can stop the war-makery.

Did Afghanistan email you, to make clear they work with me and they also want
the UN Arbitration-court-systems?

Announce this new systems, please?
It will save lives.

Stop met die zelf-medelijden!
