## Republic-organisations,

<http://www.eca.europa.eu/en/Pages/OrganizationChartList.aspx>

**The NL AlexBrenninkmeijer was the National Ombudsman in NL.  
He misused his position to found the NL - ICC - Thehagusecuritydelta - murderclub.**

When I became too powerfull in NL, he found himself a job with the European Court of Auditors.

All organized by the NL - ICC - murderclub.

**Today, this same Brenninkmeijer presents a reports that states:**

**'Reporters must have the same legal protection as Aid-workers have'.**

### Meaning:

Brenninkmeijer - a massmurderer - needs to find a New Group of people who protect him better, now I Clean up the ICC- EU - UN lobby. What causes hime to be exposed as a mass-murderer.

He also supports media-makers against whom I started an ICC-lawcase with the aim to stop terrorism- war.

**Van:**destokkel <d.e.stokkel@ziggo.nl>

**Aan:**

## Republiek-organisations,

Appearantly, I am the only person in EU who doesn't want terrorism - war.

So, its time for me to act upon it.

**I am going to start ICC-lawcases against all EU-leaders who keep**

NL a dictatorship from 2june2014 on  
ICC a murderweapon in their hands - and want ICC to stay a FAKE courtsystem  
so EU-leaders are free to be mass-murderers

Who support UNSG Guterres with his private corruption / killings via ICC.  
Who ignore their Legal Responsibility / Obligation for Republic NL

### **On 1 July 2017 , I will start an ICC lawcase against**

#### **1. France EU BREXIT negotiators Michel Bernard Barnier and UK David Davis**

If they don't want to end up in ICC-prison - or they don't want to be responsible for more terrorism in EU and War, internationally... they must recognize Republic - NL.

1. With the target to clean up the UN - ICC - EU...
2. With the target to put a hold on terrorism, for once and for all.

EU-leaders are all Hitlers, today.

There is no difference anymore between Hitler - Saddam Houssain - Gadaffi and EU-politicians; each EU -leader of today murders 6 million Individuals too, with Genocide by Bureaucracy. They ignore all their legal obligations, when they want to kill a person.

### **On 1 August 2017, I will start an ICC lawcase against**

1. Alle EU-Embassadors on NL territory
2. All Presidents of EU-members

### **From 1 August 2017 on, I will change the name NL- ICC - Elite murderclub in **NL- ICC - terroristsclub.****

#### **Why?**

Well, I am not under threat by Moslim terrorists;  
they trust me to clean up NL Nazi parliament - ICC - - EU - UN.

#### **What will happen?**

The EU - and all its members will be recognized as 'Terrorist-club'-, internationally.

Knowing the EU-Elite... they will first keep eachother in their powerful Labourcontract and present themselves as 'the solid group'.

Tja, the Solid EU - Terrorism-club.

Later, they all will 'run away from their Laboutcontract and G- Duty and will find another Job for the Rich ... in a country where they can't be arrested'.  
Undoubtedly, they will steel all the EU-money they can steel,

for that Happy Lifestyle abroad.

### **Result?**

Moslim-like terrorists - or their EU copycats - will place more bombs in EU.

The NL - ICC- EU - terroristclub can NO Longer present their Security-bullshit-communications in EU.

The Clean up will become a fact.

### **Or...? After all..... They pick The cheapest and less painfull way out.**

The NL- ICC - EU- Elitemurderclub proves to be 'Good-hearted persons who want EU and Earth to live in Justice & Calmness', so they clean up the murders they have started themselves.

They Recognize Republic - NL and are co-operative with me, so I can clean up ICC.

### **All EU- politicians have the legal obligation to recognize me as InterimPrimeMinister for NL, from 18nov2016 on.**

When they refuse to do so, they prove to ignore the UN Charter - Torture treaty - Humanright treaties.

They prove that they want to build BREXIT in the biggest hel possible.

### **What happens when EU-leaders have me - IPM DesireeStokkel - Assassinated?**

Then terrorism will grow in number and intensity.

There is a reason, why Moslim-terrorists have not killed me;

I am a Good -person. Honest, smart and fair in punishments.

### **I only need to write about 25 letters to start the Deep Clean up of the EU.**

Still being poor, I can handle this!

And I will.

### **France EU BREXIT negotiators Michel Bernard Barnier and UK David Davis**

I want you to recognize me as InterimPrimeMinister for NL, from 18 nov2016 on.

You do not have the right to torture - murder me by manipulations - hoping that someone will slaughter me - and to be a Mass-murderer.

### **DesireeStokkel**

---

## **Republiek-organisaties,**

On 1 august 2017, I will start an ICC-lawcase against all Embassadors & Presidents from EU-countries, for the fact they continue to support Dictatorship NL.

EU-Embassadors / Presidents clearly have the plan to turn NL - ICC - EU - UN - BREXIT into a bigger hel, hidden behind FAKE news in the media.

You know by now How I Operate: I will email organisations in the Homeland of the EU-Embassador / President so the people in that Homeland will make their Embassador / President leave office.

I am fed up wiht the fact that all EU- Embassadors / Presidents knowingly build terrorism in EU - Wordwide.

## **What if you - EU politicians - don't want to be registered in warzone 'as EU-terrorist'?**

**Well than you prove to me  
- InterimPrimeMinister DesireeStokkel -  
that you will live & work in accordance with  
the Constitution Republic NL and Republic-laws.**

**You prove this by writing me a letter to my Homeaddress,  
in which you determine that;**

- 1. you live & work in NL in Republic-NL**
- 2. you build BREXIT - NL in Republic NL**
- 3. you recognize the ICC-NL-EU-UN criminal lobby, which must be removed**
- 4. you want ICC to operate as an International Criminal Court professionally**
- 5. you will not Lobby anymore with the Dutch Royal Family; they are a theaterplay**
