FBI, Dan Coats, America,

Dan Coats,

As your only legally correct operating Commandor at the Whitehouse

I decide 'that you are too old for your job'.

You can't think & act like I do.

My thinking-skills are absolutely necessary, in order to make sure that the USA-people will own production-lines ... on USA territory ... to provide in their daily needs with.

The deep problem the Americans have...

is ... that they don't move on to the implementation of the Torture-treaty **24/7** in each nano-second... now they have to keep the USA on the Worldmap.

If you want to outsmart Trump, you start to work from

the Torture-treaty
the Fairtrade-USA-Constitution
the new Treaties I have put into power by decree via the UN.

Arbitration-courtsystem + EU future proof treaty + Humanrightspolice
