FBI, Embassy,

FBI,

Dictator Trump wants to RULE the Universe with a new military force....

Space-force.....

Will you tell him.....

'that I will always have more EQ than he is... and

that for that reason... he will never be intelligently enough to RULE ...Space?'

And... , is he going to talk about the International Criminal Court?

Oóóóóóó.....

I want to go back to my own Homeplanet, where creatures residence in the Evolution of Social Intelligence.

I am so fed up with mankind on Earth.

'There's an endless road to re-discover...'
