Embassy, RepublicNL,

The International Monetary Fund assists Queen Maxima from Holland with organizing mass-murder via the Financial wordl - ICC-lobby.

Because the UN-ICC-lobby keeps Queen Maxima in her Dictator-Queen-role, bankmanagers feel free to ignore all their personal Legal Obligations.

In Holland, we do not have Fairtrade & Eco banks of financial institutes left anymore!

Queen Maxima organizes a New financial Crisis, especially to break down Small-business.

Smaller organisations can't afford to start lawcases anymore in DictatorshipNL; they can in republicNL.

Criminal Judges keep this situation alive with Bullshit-stories in the media... that must prove that Judges want law for all of Us.

NL-judges segregate organisation in to 2 group = only the Elite-murderclub NL keeps acces to court.

Also via NGOs = NGOs own Freedom to Murder.. and to build war + to collectmoney via fundraisings.

Bottomline: Both IMF - UN want war + criminal money to dictate Earth.

IMF keeps people lawless & poor.

IMF organizes something EXTRA = 100% Espionage in Holland, from 1may-1june2018 on.

You can not trust people working for IMF!

Trust can only be restored when ICC is a trustworthy court of law.
