## **IMMI-Iceland & Kremlin,**

IMMI - Iceland-.  
Know Assange is arrested.

Australia has promised him a fair trial.  
And when I have listened well to the AU-prosecutor 'he has no plans too obey the AU-parlaiment'.

The Int.CriminalCourt is more important than NATO,  
depsite the fact that NATO. is a Lobby & Assasination-centre too!

I know that North-Korea can now start a nuclear war.  
But USA can do the same.....

Find US-cables that proves that US-embassy in NL wants ICC to stay a Hitler-court.  
This will save many lives!

**Dmitri....tell Earth that Russia has no plans to attack the Baltics.  
(I believe you....!)**

**Medvedev & Putin,**

I have informed North-Korea about the fact that the Int.CriminalCourt is guilty of torture and a murder attempt on my life.

The president of ICC is a South-Korean-judge. Terrorist.  
He can't investigate on North-Korea.

**Korea,**

The International Criminal Court in The Hague in Holland, is a terrorism-organisation.

So is the Dutch supreme court.

Read [www.desireestokkel.nl](http://www.desireestokkel.nl)

Don't start a war with USA; Don't give them what they want!

Make clear that you want North- & South Korea to be come 1 nation in the year 2060.

## Wikileaks.

XS@4all wants to host Wikileaks in NL.

Good, you've got me approval.

Although there's a a small 'tiny thing' you must be aware of.

XS@4ALL is part of [www.kpn.nl](http://www.kpn.nl)

KPN is a part of the 10.000 dictator-group in NL.

They don't want to know 'that parliament Balkenende & Rutte are official warcriminals with an ICC0-lawcase'.

## Why is it needed that Wikileaks stays open in NL?

We have PVV Geert Wilders.... and 225 liars in parliament, who ignore the Int.Criminal Court.

Wilders thinks of himself 'as the Worlds' saver of Freedom of Speech', but the only thing he does is build a Hitler-like system against Moslims.

Now Wikileaks takes over the battle for Freedom of Speech, Wilders slows down.

Moslims will be handled more fairly.....

Do you know that Mark Rutte responds with:'Due to Wikileaks politicians can't have normal talks anymore'.

For Godsake!

When politicians would talk normally, we wouldn't have Nato, UN Security Council, Wikileaks!

Wikileaks is a shock to politicians, but they have asked for it.

When politicians 'ignore psychoplogy & human rights' because they want to fool the people around, their 'hidden world' must explode in their faces one day.

You simply can't ignore psychology & HRs.....

Neither can you underestimate the people's need for educational psychology-law-talks with politicians.

Even Dmitri Medvedev underestimates psychology!

And so does the Moslim-world...

**Thanks to Wikileaks 'the war against terrorism is over'.  
This war started on 9/11...and ended on 1 dec 2010, the day USA-  
Canada-politicians  
called for the assasination of Julian Assange. FATWA!**

Al Qaida & Taliban laugh at the USA! Good for them!

You know, I can't help thinking:

'Saudi Arabia fools Hillary Clinton around. She constantly screams:'Saudi Arabia finances terrorism'.

Well? So they do! Saudi Arabia gives Clinton what she asks for!

From the day Clinton screams:

'We want Fairtrade & Eko from Saudi, she will get Fairtrade & Eko'.

Am I right here?

**'An Eye for an eye, a Tooth for a tooth', is the way the Moslim-world handles**

me.

## David Cameron,

You announced 'that UK-troops can withdraw from next year, from Afghanistan'.  
I take it this will be 1 januari 2011, 00.05 hrs? Excellent!

## Kremlin,

Lets do some psychology.

USA will never implement the new RU-Start-treaty a 100% because they want  
a war against China, together with Australia.

But they also want to hide this war-design for the rest of the World.  
What USA needs is an excuse 'to expand the weapon-industry'.

When USA refuses to implement RU-Start-treaty, this will make Putin  
impatient/angry.

He starts to threat with 'a cold-war' = golden-war.

The weapon-industry will expand, worldwide...now USA blackmails  
everybody into war again.

Russia gets the blame, because Putin couldn't keep his mouth shut'.

USA-Australia are free to prepare an attack on China...in the unknown.

At the same time, USA sabotages International Law & Int.Court-systems  
as much as possible.

Blackmail.

When their victims 'have to expose the crime USA causes in their lives and claim Human  
Rights

& court-systems...to stop warcrimes committed by USA '... USA accuses those victims of  
'threatning USA' = cause terrorism.

Than, victims will be extradited to the USA for falls reasons, put in prison...and will get  
the death-penalty.

I am sick of the way USA handles HRs!

They use HRs against the people....because they want to dictate Earth.

The treaties that make is possible 'to extradite suspects to USA' are more powerful than  
all HR-treaties together.

Because politicians want to ignore HRs for their favourism...and corruption.

Result? Politicians like PVV GeertWilders, warvictims like me - who do want justice  
without war -..and Wikileaks.

**Are you wake, Putin? Its 2 hours later in Moscow...**

## **Oké, I am not naive.....**

The Un security Council must be removed from Earth.  
All presidents must open their own 'Wikileaks-locally', in stead of trying to shut down Wikileaks and have Julian Assange tortured by USA'.

Or do you want more wars designed by USA?

## **A war against China!?**

We need China:

- to move on to Green-energy as fast as they can,
- to use raw-materials for Fairtrade & Eko only...
- and to design new business-contracts for Europe. For the young and unemployed too!

When USA is set free to distribute more war, we will lose EU completly to chaos. Thanks to corruption within the Int.Criminal Court - national courtsystems - fascism, corruption within Interpol.

## **Last year, Dmitri Medvedev, I wrote you a personal letter with a tactic to learn 'to predict your own Future'. You failed your entrance-exam to the Galaxy....**

Not enough fairness, to many hidden dirty deals, to little psychology and you want ICC to stay a Lobby & Assasination-centre.

In 2011, The Galaxy will give you some 'hard Down-to-Earth-lessons'.

## **There are too many male President on Earth, who damage female-solution...against war.**

## **Final message for Wikileaks.**

When Assange is sent to Sweden for false reasons  
= he's extradited to the USA by Sweden, he must also start a lawcase within the

Int.Criminal Court in The Hague against Sweden.

His lawyers in Sweden & UK must start a lawcase against Sweden together, within the Int.Criminal Court for crimes against humanity = torture by Sweden supreme court & politicians.

You don't have to pay registrars-costs, but you will be a victim of corruption. At the same time you will also 'clean up ICC...and make explain USA why they sabotage justice for warvictims, based on my evidence on my website'.

You will have a very strong case...against USA....

Even in USA-courtroom, when you announce in the USA 'that you have started an ICC-lawcase against Sweden for tortrue'

= misuse HR-treaties against you... and have you arrested for 'rape-interrogation...', only to extradite you to USA'.
