**Embassy, ICC, RepublicNL,**

### NL dictator Minister Sigrid Kaag is not in Libya to rescue the lives of the Simple People!

She is in Lybia to make sure that the InternationalCriminalCourt personnel stays FREE to MURDER

warvictims who start ICClawcases, that disturb her prive Freedom to Murder in dictatorshipNL.

She is also in Lybia to make sure that the ICC-corruption between France & Holland can continue, despite the fact that Khadaffi has financed former France Presicent Zarcozy.

Besides, NGO's who assist the Libya-people, only do this to enrich the Boardmembers of these NGOs; this type of corruption must be maintained too... now these NGOs visit FAKE-securityconfrences... for EU - UN national security.

Thus, what happens here = the civil war inside Libya itself intensifies, while there are still UN-soldiers in Mali.

Minister Kaag is only in Libya to keep the DictatorshipNL alive = she will kill Simple People in Libya for it.

UNSG guterres keeps all the wars going too, now he uses ICC as a private murder-weapon for his private needs.

We will have more refugees - more terrorism in France & UK due to this DictatorshipNL policy in Libya.

France Macron must leave politics = he only builds more terrorism.
