Brexit, Embassy,

About 165 NL-businesses are on a Trade-mission to China.

I am absolutely NOT against Trade with China, but I am against the fact that Mass-murderers, against whom runs an ICCLawcase for warcrimes present themselves 'as sound business-persons'.

As if China is stupid...

When China increases trade with NL, this is also to get a grip on the NL-ecnomie & security.

The fact that the ICC_lobbyclub Thehagueglobal justice Institute is closed, doesn't change this.

This ThehagueglobaljusticeInstitute was founded to creat a Mass-murderclub who is free to murder
thank to ICC-personnel corruption.

The NL- Mass-murderclub who expands DictatorshipNL lies to the people = we are on the edge of a New financial crisis. This time around, more violent because we have more criminals in NL.

Realestate + Drugs + Trade... is being taken over by criminals, with the approval of the Head of Police
ErikAkerboom + Commandors of Ministry of Defence.

And... with the approval of Boardmembers of businesses.
Who only cares for the private labourcontract + freedom to kill.

Besides, the BREXIT contracts are lies too!

I don't want people to think 'that this China-trade-mission is without risk' = NL + China are going to fall in to crisis.
