Cuba - Embassies, RepublicNL,

Cuba, you are the first Nation that wants to follow my facebook <https://www.facebook.com/desiree.stokkel.1>

I don't have time to connect half Cuba.
Spread the word for me, please.

Its time **Embassadors** operate legally correct = all Nations that recognize RepublicNL can be added to my facebook-page...

ICC - and especially the NL statemedia - are causing more Crime again.

There is an ICClawcase-procedure against the Phillipines, started by me... because all UN-memberstates support dictatorshipNL.

ICC ignores this fact,

- while ICC startes an investigation after the methods of work of PH-President Duterte
- while my ICClawcaseNL is also the cause of the attitude of the Phillipines towards ICC.

Duterte can be put in ICC-prison, but only because of the legal fact that I first prove that he ignores the UNcharter in reationship with DictatorshipNL. ... And NL- ICC- EU - UN / UNSG corruption.

ICC can not put Duterte in prison for warcrimes in the Phillipines itself, now the UN = 100% corrupt.

ICC = magnet for Drugscrim... now they lie about the ICClawcaseNL. Holland has turned into a Drugs-paradise...

Drugshops - coffeeshops - don't really want an USA-like solution = they support NL-politicians / Mayors against whom I started an ICClawcase.

I have asked drugsshops 'which new legalislation they need'; they don't want me to write new RepublicNL -laws for the Drugsworld, which I put into power by degree via the UN.

**On top of this the Head of Police in Amsterdam presents himself
'like a Legally Lazy pittiful leader of the Police-force' in the media:**

'He can't prevent individuals from being killed, now Amsterdam is under-staffed'.

Lack of personnel has nothing to do with it!

The Head of Police Amsterdam supports Head of National Police ErikAkerboom with organizing mass-murder via the ICC-lobby. This is the real cause of the problem!

This is why we have more assassinations in Amsterdam.

Besides the Lower - Police - officer is kept stupid, by the Police-academy too.
They keep new legally obliged solutions away from the Individual Police-officer

= The Police-academy supports DictatorshipNL and keeps Criminal Judges in their labourcontract.

= Arbitration-courtsystem provides in a whole New Uniform Communication-model, for the Police on the streets, what simplifies procedures & bureaucracy.

= Criminels will have to accept that they can easily be restrained by the Universal punishment of 365 Days Community work under electronic surveillance at the lowest legally correct income available.

The Police in NL wants to keep DictatorshipNL alive next to RepublicNL - at any costs - because the Statemedia refuses to expose this Evil practise of the NL-parliament - King - Courts of law.

Drugsshops need to be put straight the hard way, now they support DictatorshipNL.

FBI, I can't email the Phillipines....Please make sure my information reached the PH-president Duterte.
