France, Embassy,

A partnership between NL Groenlinks Jesse Klaver + Macron in EU = more Crime.

There is an ICCLawcase against both: Macron + Klaver.

There is also an ICCLawcase against Juncker + Tajani + Tusk + UNSG.

For the Maffia + Terrorists a reason to travel to France + NL.

A GL- France partnership will cause delay in Trade + costs Loads of Money!

In Holland we have a very dangerous situation going on, caused by Statemedia
= they want Dictatorship NL... and only present the truth produced by the Elite in NL.

NOS - NPO - RTL - TMG - Persgroep - TPO makes sure 'that the victims of ICC - BREXIT are not heard / educated / given Justice.'

The media is removing all kinds of Democratic rights from the people
= they assist DictatorshipNL by cutting away 'freedom of Democracy in the municipal / province / parliament'.

The RepublicNL does give people Cleanup rights, but the media does everything possible to boycott the growth of RepublicNL.

The number of Elite who are Free to Murder grows; chaos increases in Holland.

NL is out of controle. Politics doesn't exist anymore. Holland has NO Leaders.

Holland is being managed from Hatred.
