### Sweden, Embassy, RepublicNL,

**Children who withdraw themselves into an artificial coma, need to be addressed as 'growing babies'.**

**You start to rebuild / resset them- with persistence - from Birth.**

I have worked in a Refugee-centre in the 90-ties.  
As a volunteer, but in heavy atmospheres.

I started to rebuild kids with behavioral-patterns, from birth.

Talk - read - feed - move with them as if they are new on Earth.

But, you need to stick to your won program!  
Its not a TV-soap; its a real building-process.
