Saudi, PVV GeertWilders, Embassy,**Saudi,**

No death-penalty for political activists.

You can outsmart this Whole Planet... by putting in to practice the New Universal Punishment-system, I Designed.

The Political activists are being punished for**not conducting the Constitution - UNCharter - HR treaties****with**

365 Days community work - under Electronic Surveillance - and on the lowest yearincome, legally valid.

This will break down all rotten media...on Earth.... in 1 minute.
And you clean up the ICC & UN too.
