Please, send Romano van der Dussen back home to Holland.

I understand perfectly well that our NL-politicians, Royal family, Judges, Lawyers, Professors are a 100% dictators, due to the corruption inside the ICC and on the Fake-securitylobby 'TheHagueSecuritydelta'.

I know that Holland is building hatred, torture and killing wherever they appear.

But this is not Romano's fault.

You know that I - Dutch woman with social intelligence - have to be murdered according to the Elite in NL and ICC.

An organisation like Prisonlaw 'doesn't even know that I exist'.

I do make a video about this situation today.

ICC has conducted Electionfraud in favour of NL-politicians.

ICC refuses to proceed legally correct in a file of a NL-woman who started an ICC-lawcase against NL-dictators.  
ICC misuses my file to assist NL and EU-politicians with torture and killings.

They misuse my body to kill other people.

ICC has forced the NL-people to vote for dictators yesterday, in NL.

Read my letter written to ICC-president Silvia Fernandez de Gurmendi.

ISS prosecutor Fatou Bensouda is a war criminal herself = she must be put in prison for this.

I think this president is a mass-murderer herself; she most likely has participated in the mass-murder of Argentina in 1973-1983.

It's rather strange that she's not killed herself, while she was a student of Law during this dictatorship.

Het Internationaal Strafhof steunt de Verkiezingsfraude van de Provinciale Statenverkiezing 18 maart 2015.

ICC dwingt burgers te stemmen op dictatoren.

ICC-president Silvia Fernandez de Gurmendi moet nu bewijzen dat zij geen dictator is. Zij moet bewijzen dat zij in Argentinië geen mensen heeft vermoord tijdens de dictatuur 1973-1983.

Het is vreemd dat zij toen rechten heeft kunnen studeren zonder geoordeeld te worden.

Zij moet ook ICC-aanklager Fatou Bensouda ontstaan en strafrechtelijk vervolgen wegens oorlogsmisdaden.

**I have started an ICC-lawcase against the Ministry of Common Affairs of NL - presidency for the fact that they ignore my ICC-lawcase, and the Constitution and HR-treaties.**

MinAz Secre.general wants a civil war in NL - EU.  
 He also wants an NL-war against Russia and China.

**In the letter you also read an instruction-list from me for Russia, China, Estonia, Saudi, Kuwait in connection with the criminal ICC-staff.**

Now I expose the ICC-NL-dictatorclub to the World, its members become more aggressive  
 = they only care for their personal 10 - 30 labourcontracts.  
 If they have to start wars in order to stay in power, they will.

But, officially - according to the Torture-treaty - I am PM of NL...  
 and I don't want wars.
