### Swiss, Embassy,

### Swiss,

I sincerely hope that you manage to refine the Medical Technological analyses, during an investigation on the production- use - consequences, inherent to a Nerve Agent.

### I am furious with NOS - media = they want to murder people with their manipulations.

#### Another example:

TMay bombs Syria.

The NL-media did not report 'that TMay did not inform the Airforce basis in Cyprus about the fact that she arrives with 100 bombs in het handbag, to kill Syrian-people... firing the night'.

I want Cyprus to start an ICJ-lawcase over this warcrime + recognize Me as IPM for BREXIT.

I hip that ScotlandYard is no longer a member of the Elite-murderclub in NL... and starts to work like the FBI does = distribute my life & work amongst the people.

### I am having a terrible time, when Presidents misuse my Human body - private life - ICC-courtcase file as a cover for their private corruption & killings.

The UK - USA - FR Syria-attack = private murderlust on behalf of Politicians & Criminal judges.

There can never be an ICCLawcase against warcriminals, anymore.  
I had already started an ICCLawcase against Assad, for building DictatorshipNL.

All war-problem can easily be minimalized with Legal Frameworks, if only Politicians & Journalists would work with the full truth.

Result? Terrorism attacks in Mali & on UN-soldiers = terrorists KNOW that UNSG is also a mass-murder in the ICCconstruction!

I am the one who makes sure that the parents of the killed Mali-soldiers - caused by dictatorbehavior of the NL-politicians & co - will get their UNrights + Humanrights

in NL courtroom.

All UN-memberstates misuse my Femal body & private life as cover for murder.

Holland is in a civil war... which is also a cover for starting other civilwars.
