**Downingstreet10, Buckinghampalace, OPCW, Embassies, UN,**

**Dictator TheresaMay,**

You have addressed the UK-parliament - and still do as I type this email - on the murder-attack on a RU-doublespy with nerve agents, in the UK

You put all the blame on Russia, without presenting legally valid evidence that stands in a Court of Law.

You take pride in the fact that you can name the Political supporters you have found, to maintain your hatred against Russia: Nato - EU - France - DictatorAngelaMerkel - enz...

All terrorists on planet Earth know that the International Criminal Court supports politicians like yourself + DictatorshipNL + Merkel + Putin + Presidents / Ambassadors + Nato + Queen Elizabeth + Nato-members... for Freedom to Murder ... European Citizens & others on Earth.

You forget that I can take over the power of the UK, by decree via the UN.

In the criminal world - terrorist world, I am highly respected for this act on behalf of Myself. Meaning: I can stop crime in EU.

### Scotland:

T-May is a 100% disaster for BREXIT.

So is NicolaSturgeon.... who keeps TMay in her labourcontract despite the fact that TMay participates in Organizing Murder in Holland.

The political & legal truth is

'that I - DésiréeElisabethStokkel, IPM in NL + RU + JP + IR + USA and UNSG on planet Earth - have the legal authority to determine if all legal actions conducted by all involved parties in this RU-UK-Double-Spy nerve agent murder-attempt - ... has any legal value or not'.

TMay = you must leave office ...

because of your extremely Low-intelligence ... BREXIT is going to be a violent & expensive hel.
