Vrouwen mogen niet worden gevangen gezet voor 'babies maken in Latijns - Amerika'. Dit is schending van alle VN-verdrag en alle Mensenrechtenverdragen.

Bolivia, you know me very well.

I need you to communicate for me in Latin-America, now its not always clear if my emails arrive in Latin-america.

The Zika-virus is a Galaxy-trouble, for all women on Earth.

In Latin-America some countries put women in prison for the fact that they have given birth to a still born child. Governments call it 'illegal abortion'.

This situation must stop.

Women only do 'what the Galaxy demands of them = making babies'.

Women who give birth to a still born child or disables child can easily die.

In fact, its a miracle they stay alive.

Even in Holland women die - or are rescued on the fine line between life & death - under these circumstances.

China, you probalby know me better than I know Myself.

And, you have knowledge about Family-lanning.

Help me out here!

Communicate in my name with Latin-America, please.

FBI - thehague.... Good NGOs must work with my constitution; they must learn 'to skipp communications that are ineffective... and to demand a larger Good system in their Parliament.

Dutch NGOs are all part of the elite-murderclub.
I am not in a position to start a fresh - legally correct operating NGO -.

Stop this Torture on women.
And do NOT work together with ICC, because it will turn you into a more corrupt court of law.
ICC will misuse you as a cover for killings conducted by ICC-personnel.

I am entitled to the Interim labourcontract Prime Minister in Holland,
now I prove that the corruption between parliament - King - Judiciarycouncil -
International court of Justice - International Criminal Court results in hidden killing on
Dutch nationals.

I am number 1 on the death-list of our parliament.
The MH17-passengers Ukraine have been killed in this same system.

I will not start a civil war over here in order to obtain this Labourcontract.

I have written a New Constitution for republic Netherlands - a fairtrade & eco constitution
that
will bring peace, intelligence, economy to all nations Worldwide -.

Work with my constitution!
